Docket No. N2011-1

NOTICE OF UNITED STATES POSTAL SERVICE
OF FILING ERRATUM TO SURREBUTTAL
TESTIMONY OF WITNESS RUIZ
(October 25, 2011)[ERRATUM]

When the Postal Service filed two pieces of testimony in the surrebuttal phase of this docket on October 24, 2011, witness Boldt's testimony bore the prefix "SRT", denoting surrebuttal testimony as in "USPS-SRT-2". In contrast, witness Ruiz's testimony bore the prefix "RT". This distinction is consistent with the facts that 1) witness Boldt's testimony responds primarily to that of witness Strong, whose testimony's alphanumeric identifier was "NPLM-RT-1", while 2) witness Ruiz' testimony responds primarily to that of witness Artery, whose testimony's alphanumeric identifier was "NAPUS-T-2".

The Commission's Docket Section has expressed to counsel a preference that the two Postal Service testimonies bear the same prefix. Since witness Ruiz' testimony also responds, in part, to witness Strong's nominally rebuttal testimony, the Postal Service has determined to change the prefix of witness Ruiz' testimony to be consistent with that of witness Boldt's. Since witness Ruiz'

testimony also includes its alphanumeric identifier in a footer, a complete replacement copy of witness Ruiz' testimony is being filed; it is identical but for the change to the identifier.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
